Subject: Bill #Z-77-03-13
"From R2 to R3"

Dear Members of the Board:

My wife and I, owner residents of 1635 Schilling Ave., have purchased the property located on the southwest corner of Spring St. and Schilling Ave. known as 1601 Spring St.

The property was originally constructed for use as a grocery store. It served the neighborhood from about 1919 to 1961. The owner died and the property deteriorated, as evidenced in the photos on page #3 of this petition. Some time later the building was purchased by a church group and remodeled. It was used as a church until last fall. Having been empty for over a year in the early 60's, the zoning had reverted to R2. Then in 1976 the property was again advertised for sale and was not selling. It was designed to be used as a business and structurally is not conducive to residential usage. Graffiti and litter once again appeared. I contacted the owner and notified him of the condition. After two weeks and no corrective action, I painted over the graffiti. I also mowed the lawn.

In November of 1976 I completed a five year, 140 credit course at the Institute of Real Estate Management of the National Association of Realtors. I was then appointed a Certified Property Manager, one of five in Fort Wayne. The realization of this goal brought me to my second interest in this property, as an owner. The interior design and location are ideal for use as a real estate office and conveniently located a half block from my home. This is my purpose here this evening, to request a zoning change from R2 to R3 to permit me to use the building as my real estate office.

Page #4 of this petition shows proposed future remodeling of the building, including paved parking at the rear of the property off the alley, utilizing approximately 40 of the 80 feet. The remaining property is to be landscaped. The improvements to the structure and grounds will appreciably improve the neighborhood.

I am also enclosing a petition for the rezoning signed by 61 immediate property owners. 30 structures are located in the same block: 1 duplex; 2 single family rental properties; the subject building; and 26 owner-occupied dwellings. 23 residents of this block have signed for rezoning, 2 are against, and I own the subject property. 92% of the owner residents are in favor. I hope and trust that the commission and council will vote in favor of the 92%.

Respectfully,

Eugene H. Johnson
